

A photograph of a middle-aged couple with grey hair, smiling and looking out from a boat. The woman is on the left, wearing a white shirt and a watch, and the man is on the right, wearing a green shirt and a watch. They are both looking towards the right side of the frame.

Vision Source products

Vision Source products available exclusively through EyeMed

Vision Source products are now available through a selected group of Labs in the EyeMed Essilor Lab Network and at the same price you'd normally pay. Order TruClear Progressive lenses along with the family of VISO ARs – and even the new VISO Previncia.

Ordering eyewear

Lens ordering is integrated with our online claims system at www.eyemed.com. Vision Source products will be available when you choose lenses and options. Just be sure to select one of the labs that offers these products.
